

TO BURNSTOWN
AND RENNREW

Directions From Renfrew
 Take the Burnstown Road to White Lake. At the stop sign in White Lake, continue straight down the road. When you get to Peneshula Road, turn right. If you hit the dirt road, you have gone 20 feet too far. Follow the directions below from Peneshula Road.

Directions From Ottawa

Take the 417 west to exit number 169, Kinburn Side Road, #20 (14.2km past #49, the Almonte exit), turn left on #20 and drive 5.7km to Pakenham. The road curves and continues over an old stone bridge. At the stop sign at the end of the bridge, turn left and drive through a bit of the town, then turn right onto the #20 again, just after Francis Fuels. You should then see "Scoops Ice Cream" on your left. Follow the #20 until you reach Campbell's Side Road, which is 12.7km from the stop sign at the bridge. Here you will see a sign to Cedar Cove Resort (from here, you can follow all signs to Cedar Cove, except the last one at Cedar Cove Rd). Turn left onto Campbell's Side Road and drive for 2.7km until you come to a "T" intersection at 4th Concession Pakenham. Turn left, and after 4.2km (if you hit the dirt road, you have gone 20 feet too far) turn right onto **Peneshula Road**. Drive 4.7km until you reach Cedar Cove Road (it may get a little confusing near the intersections of Pickerel Bay Road and Snye Road; but ensure that you stay on Peneshula Road). When you see Cedar Cove Road, stay on Peneshula for another 0.6km and then turn left onto Stewart's Landing. Drive all the way down until you reach the lake (about 0.5 km). Alternatively, you can go through Almonte, 1.1km after the Corel Centre, take the #49 exit to Almonte. Go through Almonte to the third (I think) set of traffic lights and turn right onto #29 (old #15) and follow the directions from Toronto from the #29 onward.

Directions From Toronto
 Take the 401 to Belleville, then take the #37 north. Head east (turn right) on #7 to Carleton Place. Just before Carleton Place, head north (turn left) on highway #29 (old #15) until you reach Cedar Hill Road which is 9.4km past the traffic lights in Almonte (there is a PetroCan station on the right at this intersection). Turn left onto Cedar Hill Road and follow it for 4.1km until you reach a "T" intersection. Turn right. After 0.9km, you will cross a small bridge. A landmark to your left will be a very pretty farm called Indian Creek. Continue for 6.1km (this part of the road is called Bellamy Road). The road winds a lot, and becomes a dirt road at about the halfway point. Continue for another 5.2km. Turn left onto Peneshula Road. Follow the directions from Peneshula Road.
